Dear Willett House Veterinary Surgeons

I would like to take this opportunity to say a huge thank you for your support with our Summer BBQ Party held on 25th June 2011 in aid of Hampton Junior School.

Your generosity in supporting the school and community contributed to a fantastic fund raising event, which enabled the "Friends" to donate technological equipment to enhance the children's learning .

By advertising in our programme you have helped to raise an astonishing £5,000, which is our new world record !!!

Equipment is being purchased and will be a very welcome surprise to the children in the coming weeks.

The school community is well aware and grateful for your contribution and look forward to your continued support during this school year and breaking a few more records ☺

Yours Sincerely

Joan Farrell
