

**MOTIVATED RVN
REQUIRED FOR
CONSULT NURSE
POSITION**

Highly motivated RVN required to initially shadow and then replace our current consult nurse who is sadly returning to NZ in August 2012.

This highly successful role encompasses all aspects of client and patient care but also includes:

- Patient Triage
- Admits, Discharges & Inpatient Visits
 - Nurse Clinics & Puppy Parties
 - Clinical Audit
- Client Care Programs e.g. follow up calls
 - Managing our Healthy Pet Club

The successful candidate should have good communication skills and be an advocate of excellent patient care. Good team player required but the ability to work on your own initiative is also essential.

1:8 weekends, 1:8 Saturday mornings and very occasional requirement to assist our dedicated night nursing team.

Excellent salary commensurate with experience. Clinical coach desirable and would attract additional annual bonus. Funded CPD & BVNA/RCVS/VDS fees paid.

Easy access to both London and countryside via rail and motorway.
