Willett House Veterinary Surgeons would like to invite you for an informative evening talk regarding your kittens first year with some of our nurses at the Addlestone branch.

Owners get to share stories and ask questions whilst they learn about behaviours, nutrition, flea and worming treatment, grooming, insurance, dental, micro-chipping and general health care.

The kitten talk will start at 7.30pm and last approximately 90 minutes.

This talk is for owners only, to minimise stress we advise you leave your kitten at home.

The talk is very popular and places are limited so please book your place soon.

Call our Addlestone Branch to book now 01932 846223
We hope you can make it!
