

PUPPY PARTIES

www.willettthouse.co.uk

It's Puppy Party Time!

Willett House Veterinary Surgeons would like to invite you and your puppy to our socialisation classes.

At the party puppies play with each other in a controlled environment as well as getting to meet the nurses that take care of them whilst they are here. Owners get to share stories and ask questions whilst they learn about behaviours, nutrition, flea and worming treatments, insurance, dental, grooming and general health care.

Each party lasts for approximately 1 hour and runs for three consecutive weeks. Puppies should be between 8 and 15 weeks of age and they must have had their 1st vaccination at least one week prior to attending the puppy party. The course costs £30.00 and if you are a Pet Club member £15.00 will be refunded to you after the three week course is completed.

The parties are very popular and places are limited so please book your place soon.
